

龍津石橋遺跡保育

Preservation of Lung Tsun Stone Bridge Remnants

「建立共識」工作坊 “Consensus Building” Workshop

目的: 在保育石橋遺跡所需的土地範圍和與周邊文物資源的連接上尋求共識，以及收集公眾對展示手法的意見，作為將來制定設計指引的基礎。

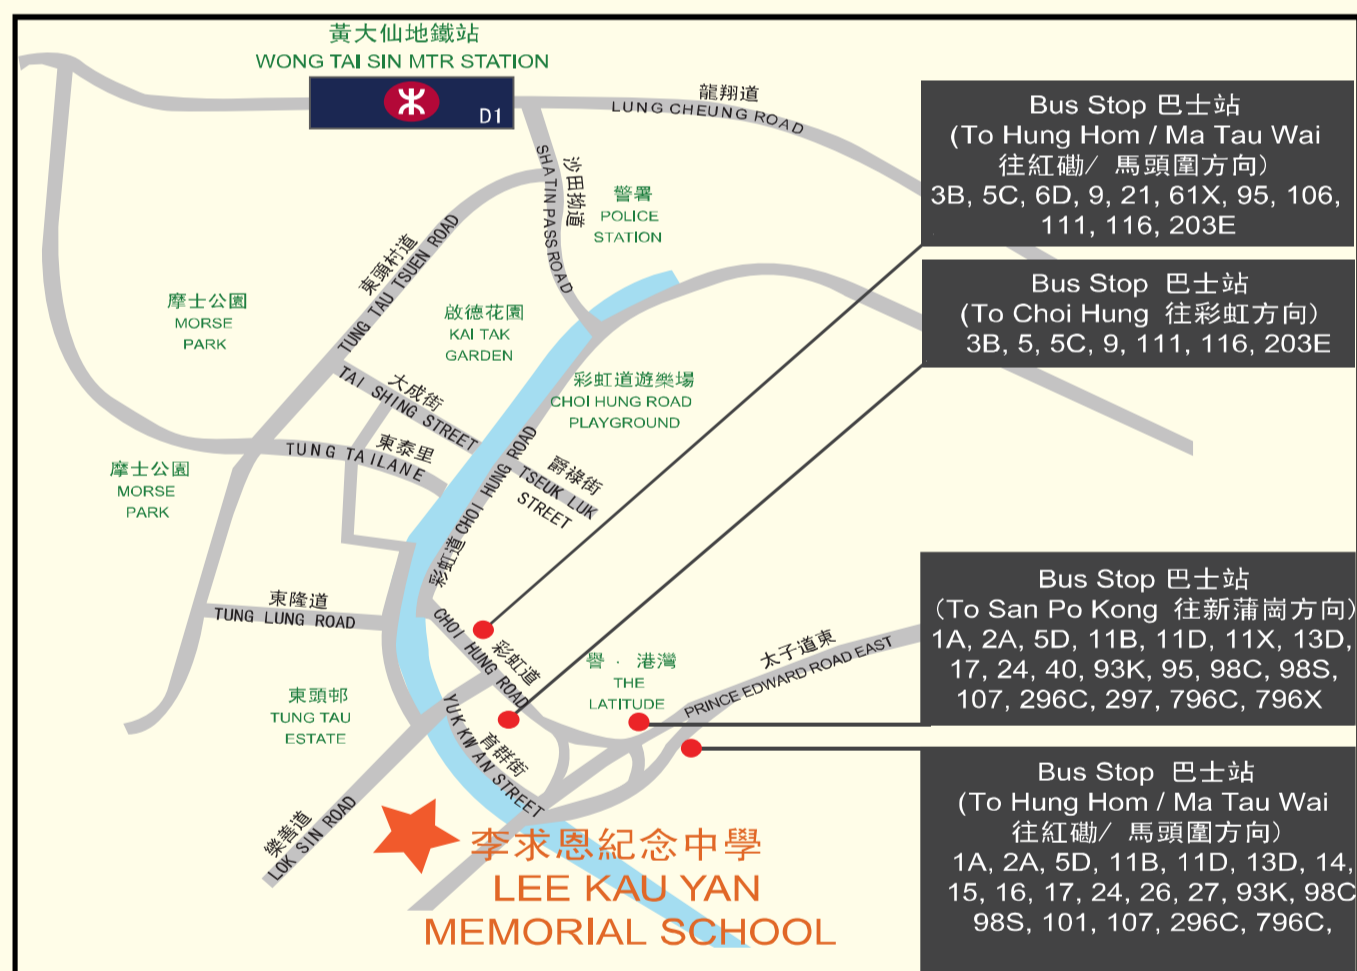

Objective: Consensuses are to be built with the public on land requirement for preserving the Bridge remnants as well as connectivity with neighbouring heritage resources. Views on approaches of exhibiting the Bridge remnants will also be collected to provide basis for future formulation of design guidelines.
